

BOSTON PRESERVATION ALLIANCE

2018 Corporate Membership

Invitation to join the Boston Preservation Alliance as a Corporate Member and sponsor the 30th Annual Preservation Achievement Awards to be held October 22, 2018

The Boston Preservation Alliance is Boston's primary, non-profit advocacy organization for historic preservation. This year, the Alliance is celebrating its 40th Anniversary. Since 1978, we have worked to protect and promote the city's distinct character by bringing people and organizations together to influence the future of Boston's historic buildings, landscapes, and communities.

The efforts of the Alliance benefit us all, not only in how we work in Boston but in how we live in and enjoy the city. The Alliance is proud to be an organization that embraces change, preparing for the demands of the future while preserving the strong foundations of our past.

The unique character of the City of Boston drives our economy, encourages growth, and makes it a desirable place to live, work, and visit.
