
BOSTON PRESERVATION ALLIANCE

MEMORANDUM

Date: 5.18.04

To: Bob Kuehn, Keen Development

From: Albert Rex

Subject: Fort Point District National Register Nomination

Bob,

Please find attached an invoice for work on the Fort Point District National Register nomination. We have retained 2 consultants to complete the nomination, which as you know received the unanimous support of the Boston Landmarks Commission. We have spent a significant amount of our staff time in moving this nomination forward. We are having ongoing conversations with the Boston Wharf Company's attorney, Mike Burk, and representatives from Gillette. We are continuing to work with Beacon and their attorney to make them comfortable with the nomination.

Additionally, we are working with owners of the community to receive letters of support for the nomination. I believe we will have a positive outcome at the June 9th meeting at the Massachusetts Historical Commission.

If you have any questions about the attached invoice, please contact me.
