

BOSTON PRESERVATION ALLIANCE

10th Annual Libations for Preservation

A fundraiser supporting Boston Preservation Alliance
presented by the Young Advisors

August 10, 2023 | Roslindale Substation
4228 Washington St., Roslindale

Call for 2023 Sponsorship

- ❖ Support the Alliance's mission to preserve the unique character of the City of Boston that drives our economy, encourages growth, and makes it a desirable place to live, work, and visit.
- ❖ Support the next generation of preservationists who are committed to the future of Boston's historic buildings, landscapes, and communities.
- ❖ This year, your support also helps to showcase local artists who will display and auction off their works inspired by Boston!

Why 2023 is a big year for your generous support

The Boston Preservation Alliance advocates for the City of Boston's unique historic character and resources. Since 1978, the Alliance has brought people and organizations together to influence the future of Boston's built environment, preserving hundreds of buildings and landscapes that define the City. Our mission is to **protect places, promote vibrancy, and preserve character.**

In 2008, the Alliance launched its Young Advisors, a board of young professionals that for **15 years** has engaged and developed the next generation of preservationists.

This year, Libations for Preservation will feature a silent auction of art created by local artists who gain inspiration from everything that makes Boston unique. Attendees will be able to bid on works as they meet and mingle with the artists. As usual, the event will also feature alcoholic and non-alcoholic signature cocktails.

Benefits of Sponsorship

Sponsorship Level	# of event tickets (value = \$50/ea)	Digital Placement: event registration & shout outs on social	In-Person Placement: at Libations for Preservation event
